Galaxy Theatres Announces its stake in the DFW market, Joins Grandscape

THE COLONY (January 19, 2017) – Grandscape and Galaxy Theatres are thrilled to announce the luxury theatre operator will be joining the \$1.5 billion development in The Colony, Texas. They are set to break ground this year on their 85,000+ sf, 16-screen venue with a projected open date of Spring 2019. Keeping to their vision the development team at Grandscape is excited about the unique offering that Galaxy has and that this will be the first location in the DFW metro.

“Galaxy Theatres is an incredible operation which has demonstrated strong performance in their markets through their focus on visitor experience. This fits perfectly with our vision for Grandscape and will be the finest theatre experience in the DFW area”

-Jeff Lind, President, Grandscape

Every theatre within this state-of-the-art venue will feature digital sound & projection and luxury stadium seating with full-power recliners. Along with these amenities, there will be a full-service bar and restaurant and 2 large format auditoriums featuring their exclusive DFX projection and sound. Providing each and every movie-goer with the best possible, highest quality, affordable entertainment experience is the number one goal of Galaxy Theatres. Boasting all of these features Galaxy Theatres is sure to become the premiere luxury movie experience in North Dallas.

“Our goal is simple, we aim to create and bring the finest movie theatre experience to the DFW metro, right here in The Colony!”

-Rafe Cohen, President, Galaxy Theatres, LLC.
