

Credential registration for the 2018 Volunteers of America LPGA Texas Classic is now available. Visit www.lpgamedicredentials.com to apply for media credentials.

1. Locate the Volunteers of America LPGA Texas Classic under the month of May and click 'Apply for Media Credentials.'
2. Follow instructions for the online request process, and designate the appropriate media requests.
3. You will receive email confirmation of the request shortly after submitting. If you do not receive request confirmation within 24 hours, please contact Lexi Wood at Alexa.Wood@Octagon.com or (913) 231-1002. (Note: This does not ensure approval for a media credential, notification of status will be made later).
4. You will receive email notification of approval/denial for media credentials within three to four days upon receiving LPGA Approval. If you do not, please contact Lexi Wood at Alexa.Wood@Octagon.com or (913) 231-1002.
5. The media center is located in the red barn adjacent to the Old American Clubhouse. Please report straight to the media center to receive media credentials. The media credential will serve as access to Tournament grounds and media parking. Media parking (Lot A) will be available on-site. Use the address 1001 Lebanon Rd. The Colony, TX 75056 to map directions and you will be directed to the designated parking location once on-site.

Thank you for your support of the Volunteers of America LPGA Texas Classic. If you have any questions, please contact Lexi Wood at Alexa.Wood@Octagon.com or (913) 231-2536.
